OLD Business

- Still need to take Aldi Trip for Food Pantry- Amber & Sherri
- Trivia night was a success- Jason helped us gain 6 new members and we raised 260 on tix and 100 winning team donation. Eagles will now be having the same guy on the last Saturday of the month on the bar side starting in April.
- Adopt a Highway—Three levels- Adopt a Highway- we do the work twice a year (waiting on response from INDOT, not sure of a cost)--- Sponsor a Highway- we pay for the supplies for someone else to do the work--- Trash Bash—annual trash pick up, date TBD for 2022, 2021 date was in April- we do the work, no cost.—Need to revisit next meeting.
- Need to attend a town hall meeting if we want our name on the signs when you enter lapel. Melissa to get with Paula Lee in the near future. The seed has been planted.
- Fortville Music Garage- Krista came in and discussed their mission/cause in the community. They have good connections with Mt Vernon already- a school that is in our county. She will compile a list of needs and we will then discuss how we want to approach this- whether it be “lending” instruments to the facility for students to use at the facility, or if students will fill out app to be able to take the instruments home- possibly both. They also have a stage at their coffee shop downstairs to highlight the students that are in their program. Will revisit again at next meeting, but sounds like a WIN-WIN for both of our organizations. Greatest Showman performance 4/16 \$8 if we want to check it out.
- Paint party still TBD for comp room
- Still no word on collaboration with Kyle Buck and his new band in downtown Anderson. Tabled until further notice
- Jordan's Disc Golf recruiting event- date and details still TBD.
- Jeremy STILL NEEDS TO CONTACT SLICK
- Clark Falcione still owes \$50.00 for his Tshirt (\$20) and his Hoodie (\$30)
